

# Street Swing Partner Dance

Intro to Street Swing  
together and apart, 'round and 'round, and away we go

The Play Circle – Why (Purpose), What (Principles), How (Practice)  
Connecting dance and daily life, swing and the street.

Why                      Purpose  
Engage life as play.  
Play is defined as **imaginative interaction**.  
Play is an attitude rather than an activity.  
Emphasize process over performance.

<u>What</u>	<u>Principles</u>
Swing	In the midst of life filled with multiple options, discover <b>connections</b> . For dance, <b>incorporate</b> different styles.
Street	In the midst of life defined by change increasing exponentially, look beyond technical solutions to <b>adaptive</b> solutions. For dance, employ <b>improvisation</b> .
Partner	In the midst of life characterized by changing roles, recognize <b>interdependence</b> and influence the interaction. For dance, engage in greater <b>mutuality</b> .
Dance	In the midst of life bombarded with competing messages, tune into the rhythms of life and <b>interpret</b> accordingly. For dance, let the music <b>guide</b> you on what to do.

How                      Practice  
Arthur Murray meets Contra Folk in the Google Age.  
Arthur Murray – Stride and glide through life centered and collected.  
Contra Folk – Embrace natural rhythms of life.  
    Yin and Yang  
    Circle of existence  
    Life as a journey  
Google Age – Intuitive  
Live your life with imagination and improvisation.  
Recapture the spirit of Jazz Dance in the Ragtime Era for the Google Age.
